

## Join the South Lakes High School Parent, Teacher, Student Association

The SLHS PTSA is committed to furthering the education of every student and strengthening the overall SLHS Community. With your support, our organization

- Keeps parents informed with several communication tools: weekly News-You-Choose, Facebook page, website, and Twitter.
- Sponsors programs that support and recognize academic achievement and community involvement.
- Organizes activities that support our SLHS students, parents, faculty, and administration; including informative programming, grants for teachers and appreciation events.

To keep up with all the Seahawks happenings, visit us often at [southlakesptsa.org](http://southlakesptsa.org). Volunteer opportunities are available but they are entirely optional.

Your PTSA membership ensures the continuity of our programs.

Membership dues are our primary source of income. Additional tax-deductible donations are greatly appreciated. Return this form with your check, or join online at [southlakesptsa.org/home/join](http://southlakesptsa.org/home/join)
